

RELAUNCH [↑] Your career is calling you back.

Empower yourself with our relaunch program for engineers.

[Apply Now](#)

Relaunch is a program for talented engineers who have temporarily stepped away from their careers and are ready to put their passion back to work. The program is designed to enable successful professionals like you to rediscover your technical experience and strengths in a workplace that values your knowledge and perspective.

Relaunch your career with confidence. We see your future here.

PROGRAM DETAILS:

Location: Minneapolis, Minnesota

Job Type: Paid Professional Returnship

Schedule: Full Time

Duration: 12 weeks

Upon successful completion of the program, you will be eligible for exciting full time opportunities in engineering at Thermo King.

QUALIFICATIONS:

- Minimum 5 years of engineering work experience
- BS or higher in an engineering field (Mechanical, Electrical, Software preferred)
- Voluntary career break for 2+ years
- Excellent problem-solving and interpersonal skills
- Interest in returning to a full time role in engineering

PROGRAM ADVANTAGES:

- Be part of a company that has made diversity a core part of its culture.
- Work on challenging projects within your expertise and interest, alongside experts in your field.
- Interact in a collaborative environment with others who are passionate about continuous improvement.
- Connect with a network of mentors and sponsors dedicated to the growth of your career.
- Develop a tailored work schedule and style that balances your personal needs and professional goals.
- Cultivate technical and leadership skills.
